

Comline CO 5W30

5W-30

Fully synthetic motor oil for petrol and diesel engines, with or without turbo

Description:

Comline CO 5W30 is a fully synthetic motor oil for petrol and diesel engines in passenger cars and light duty commercial vehicles. This oil can be applied for cars equipped with catalytic converters, turbo charged engines and for direct fuel injection systems.

Comline CO 5W30 provides an extremely quick and stable lubricant film during the cold start-up and offers high thermal stability under heavy duty operating conditions.

Comline CO 5W30 not only offers extremely good wear protection, but also protects against rust and corrosion, while special additives keep all parts free from dirt, sludge and deposits.

Comline CO 5W30 offers fuel saving properties and can be mixed with both synthetic and mineral motor oils.

Performance level:

API SL/CF
ACEA A1/B1-12
ACEA A5/B5-10
Renault RN0700
