

Model Feature

Hyundai ix35

As the market for compact crossovers boomed, Hyundai's now superseded ix35 made its mark in a highly competitive segment.

Rivalling with the likes of the Skoda Yeti, Kia Sportage and the popular Nissan Qashqai, Hyundai offered the ix35 at an attractive price with a desirable 5-year warranty for hassle free driving.

It's vital to note however, that this warranty does not apply to wear and tear or service parts meaning there's still a big market to be had for ix35 replacement parts. Comline has you covered with a wide selection of high quality, value-for-money parts from our comprehensive product ranges.

With a growing reputation as one of the fastest growing automotive brands in Europe, Comline is the perfect choice for the ix35 and for your business.
