## BMW 5-Series

**Since 1972 the BMW 5-Series has been the benchmark executive option and, despite stiff competition from the Audi A6, Jaguar XF and Mercedes Benz E Class, the Bavarian über-saloon has consistently maintained its appeal.**

Renowned for having some of the most efficient engines and a sophisticated, luxurious appearance, the 5-Series has a truly abundant blend of abilities.

To keep the 5-Series population moving, Comline offers a wide selection of high-quality, value-for-money parts from our comprehensive filter and braking ranges.

With a growing reputation as one of the fastest growing automotive brands in Europe, Comline is built on delivering quality parts and profitable results for your business.
